### **About B&B HOTELS**

#Only for everyone: that's the promise of B&B HOTELS chain, created in Brest 30 years ago! B&B HOTELS offers maximum comfort for everyone at the best price. What makes the difference? Regular innovations for the well-being of its guests (B&B by Bultex bedding, free high-speed wi-fi, Chromecast in the rooms, all-you-can-eat sweet and savoury breakfast, remote check-in...) and a quality of welcome that makes us proud. The concept is appealing: the budget hotel brand is already present in 12 countries with more than 510 hotels and over 45,000 rooms. And this is just the beginning... Majority owned by the investment company Goldman Sachs, B&B HOTELS has very strong growth ambitions and currently opens an average of one new hotel per week.

In June 2020, B&B HOTELS obtained the independent SOCOTEC certification for health risk management, a guarantee of compliance with a strict protocol of sanitary measures to welcome its customers in complete safety.
